1  Values and Principles

1.1  To create a learning environment in which bullying is regarded by all as totally unacceptable. Everyone must be able to come to Woodlands free from the fear of being bullied in any way, by any one, at any time.

1.2  All students have the right to be educated in a safe and secure environment, protected from others who may wish to harm, harass, degrade or abuse them.

1.3  There can be no justification whatsoever for bullying behaviour and it must not be tolerated in any form, including differences of race, religion, gender, sexual orientation and/or ability. Bullying is when someone’s actions or behaviours make someone else feel unhappy, intimidated or put down.

1.4  Bullying behaviour is a problem for both the bully and the target and must be addressed in a positive and constructive way which provides opportunities for growth and support for both the bully and target.

Effective management of bullying is a shared responsibility and strategies must involve school staff, parents, carers and other professionals involved with students who are the targets or the perpetrators of bullying behaviour. It is essential to invest time and resources in the prevention and management of bullying and staff require advice, training and support to manage it with confidence.

2  Definition of Bullying

2.1  Persistent, often planned, physical, verbal, emotional abuse of another person which results in pain and distress to the target.

Behaviour, which Woodlands regards as bullying, includes:

a) Use of physical behaviour, violent or otherwise, against others.

b) Use of threatening language towards others.

c) The inappropriate use of mobile phones.

d) The inappropriate use of electronic messaging.

e) Demanding money, goods or favours.

f) Deliberate social exclusion.

gh) Denying someone access to their personal property and/or damaging it.

h) Spreading rumours or gossip with the intent to cause personal harm.

i) Social network abuse.

j) Sexist, racist or homophobic language.

k) Name calling and belittling of others.

l) Displaying behaviour that is considered to be intimidating.
3. **Aims**

To eradicate bullying by:

a) addressing bullying through the implementation of whole-Centre policy and procedures.

b) clarifying Woodlands' responsibility for responding to incidents of bullying and emphasising to staff, students and their parents or carers the Centre's zero-tolerance of bullying behaviour.

c) creating a positive, caring ethos in the Centre by which people are accepted, valued and celebrated as unique individuals, regardless of age, status, race, sex, class, religion, culture, mental or physical ability, disability (including SEN) or personal character.

d) dealing seriously and quickly with every known instance of bullying as soon as it is reported or observed.

e) providing education for all stakeholders to ensure a high level of awareness, knowledge and understanding of bullying and the causes.

f) demonstrating, in our dealings with students, a respect for others, by seeking to influence them from a basis of good personal relationships and through the use of personal skills rather than by the use of power and/or the threat of punishment.

g) ensuring that parents and carers know that Woodlands takes their children's welfare seriously and that they are being educated in a safe and secure environment.

h) demonstrating to bullies that their behaviour is unacceptable.

i) ensuring that targets of bullying know that action will be taken to keep them safe.

j) recording all incidents of bullying to monitor the effectiveness of strategies to prevent it.

k) addressing with bullies their unacceptable behaviour in a fair and firm, non-oppressive manner, and providing them with support to enable them to change their behaviour.

4. **Active strategies to discourage bullying:**

a) Woodlands has a zero-tolerance to bullying. It is best prevented through the development of an ethos based on mutual respect, fairness and equality. All staff have a responsibility for dealing with this problem. Students will have their awareness of the issue raised at a number of levels and be informed of the Centre's expectations about the unacceptability of bullying and what to do if they experience or are aware of bullying by others.

   Please note: Bullying of students by staff is dealt with under Woodlands’ disciplinary procedure for employees.

b) Create an atmosphere in the Centre where everyone feels safe, supported and
c) Tell students from day one that any form of bullying is not tolerated in the Centre. Everyone is expected to work together to ensure that it does not happen.

d) Actively promote an Anti-Bullying Culture through ongoing awareness campaigns in LORIC Lessons, SMSC lessons, PSHE lessons, Assemblies, Tutor Time and Anti-Bullying focus days.

e) All staff to remain vigilant and observe social relationships and behaviour between students in and around the school.

f) Ensure that parents, carers and students understand that we need them to tell the staff immediately if there is any kind of problem.

g) Have an ‘open door’ policy for senior staff and encourage students to drop-in for a chat.

h) Use tutors to discuss issues in groups and individually.

i) Encourage all staff to discuss their observations with tutors and relevant support staff.

j) Provide individual and/or group support for the perpetrator and target where relevant.

k) Have close links with appropriate outside agencies.

5. **How to report bullying:**

   a) Students should report physical and non-physical bullying immediately following any incident to the nearest member of staff. The student will complete or be assisted to complete a statement. This information should be handed to a member of the senior leadership team for further investigation.

   b) Students can also use the post box situated outside the Head teacher’s office to disclose any information about bullying or any other concerns.

   Parents can report bullying by:

   c) Contacting the Centre by email, text or telephone and communicating with the student’s tutor, a member of the senior leadership team or a member of the office staff.

   Strategies to adopt when bullying is reported:

   d) Incidents of physical bullying must be dealt with immediately with the target and/or witnesses reporting this.

   e) The allegation(s) will be investigated. When the evidence has been gathered, a senior member of staff will be consulted on the best course of action.

   f) The bully involved will be dealt with firmly and detailed records placed on their file.

   g) j) Parents or carers will be informed, with the parents or carers of the
student(s) being bullied asked to report any further incidents immediately to the Centre.
h) Staff will be informed of students who are being bullied and asked to closely monitor interactions with peers.
i) Depending on the seriousness of the incident, parties involved may be invited in to discuss solutions as a group.

7. Post Incident Responses for the Bully  

Woodlands will respond to incidents of bullying behaviour in a proportionate way – the more serious the cause for concern, the more serious the response. When sanctions are felt to be necessary, they will be applied consistently and fairly. The following options will be considered:

a) immediate action to stop an incident of bullying in progress  
b) engagement with the bully to reinforce the message that their behaviour is unacceptable  
c) loss of lunch / break-time privileges  
d) detention / removal from class/group / behaviour support plan / time in the reflection room  
e) reduced timetable for fixed period  
f) withholding participation in sports or out of school activity (if not essential part of curriculum)

j) fixed periods of exclusion or alternative provision  

8. Monitoring/Evaluation  

The Headteacher is responsible for monitoring incidents of bullying, and reporting these to the Management Committee. Senior staff and Governors will evaluate the effectiveness of this policy and agree adjustments that may be necessary to address any on-going concerns. These will be shared with staff, parents, carers and students.
