1. Purpose and principles

This Code of Conduct aims to establish a set of principles which underpin the expected conduct of staff at Woodlands Education Centre with the intention of encouraging staff to achieve the highest standards of conduct at work and of minimising the risk of improper conduct occurring.

The Centre requires that all staff have read and comply with the Code of Conduct. Where clarification is needed on any aspect of this document, this should be sought from the Head teacher or the senior leadership team (SLT).

Breach or failure to observe the provisions of this document may lead to action being taken under the Centre's disciplinary procedure, a copy of which is available in the Admin Manger's office and on the Centre's web site.

This document is available to all staff from the Admin Manger's office and on the Centre's web site, as well as being provided on induction to all new members of staff.

The Code of Conduct is not exhaustive in defining acceptable and unacceptable standards of conduct and behaviour. In circumstances where guidance does not exist, individuals are expected to use their professional judgement and act in the best interests of the school and its pupils.

2. Scope

The Code of Conduct applies to:

- all members of staff, including teaching and support staff;
- volunteers, including governors;
- casual workers;
- temporary and supply staff, either from agencies or engaged directly;
- student placements, including those undertaking initial teacher training, and apprentices.

References to 'staff' throughout the Code of Conduct refer to all of the above groups.

Any links within this document to other documents are for ease of use and do not form part of this Code of Conduct.

The Code of Conduct exists in addition to Hampshire County Council's [Local Government Code of Conduct](#).

3. Professional standards at work

Staff are expected to demonstrate the highest possible standards of personal and professional conduct and behaviour and consistently act with honesty and integrity. The school expects staff to treat each other, pupils, parents and the wider school community with dignity and respect at all times.

Furthermore, staff must have regard for the ethos and values of the school as well as its policies and procedures and act in accordance with these at all times, including in their dealings with those who come into contact with the school e.g. visitors.

Staff must act in accordance with their duty of care to pupils and ensure that the safety and welfare of the children and young people at the school are accorded the highest priority. In this and other ways staff should always maintain standards of conduct and behaviour which sustain their professional standing and that of the school.

Teachers are reminded of, and are expected to uphold, their wider responsibilities as set out in the [Teachers' Standards](#), including an understanding of, and acting within, the statutory frameworks which set out their professional duties and responsibilities.

4. Safeguarding

Woodlands Education Centre recognises its statutory and moral duty to safeguard and promote the welfare of pupils and understands that staff play a vital role in meeting these responsibilities. Staff must be aware of their individual safeguarding responsibilities, including to provide a safe environment in which children can learn, to be aware of the signs of abuse and neglect, to identify children who are suffering, or are likely to suffer, significant harm and to take appropriate action in such cases to prevent concerns from escalating.

All members of staff must be aware of the school's systems for supporting child safeguarding, including the role of the school's Designated Safeguarding Lead (DSL).

Woodlands' DSL is Amanda Miller-Adams

Staff have a professional duty to report concerns about the welfare of a child. Any such concerns must be raised without delay to the school's DSL in the first instance. If the main DSL cannot be reached you must contact her deputy DSL (Rachel Pope). In the event that none of the above are available staff must contact *Hampshire* County Council's Safeguarding team (01962 876364). There should be no delay in reporting a concern if there is risk of immediate serious harm to a child.

Staff should be familiar with the school's child protection policy, which is available to all staff in the Admin Manger's office and on the Centre's web site. All staff will receive appropriate child protection training and will be provided with guidance on child safeguarding as part of their induction to the school.

In accordance with the statutory guidance published by the Department for Education '[Keeping Children Safe in Education](#)' (May 2016), all staff in Woodlands Education Centre are required to read Part One '[Safeguarding information for all staff](#)' and will be provided with a copy as part of their induction to the school. The full document is available from www.gov.uk

Further information is found in the guidance document '[The avoidance of unnecessary contact and allegations](#)', a copy of which is in the Admin Manger's office and on the Centre's web site.

5. Appropriate relationships

Pupils

Individuals who work or volunteer in a school environment are in a position of trust. Staff should be mindful of the need to maintain professional boundaries appropriate to their position and must always consider whether their actions are warranted, proportionate, safe and applied equitably.

Staff should act in an open and transparent way that would not lead any reasonable person to question their actions or intent. Staff should think carefully about their conduct so that misinterpretations are minimised.

When working with an individual young person, ensure that there is visual access to the room. Leave the door open if possible and ensure another adult is nearby and aware that you are alone with the young person.

Staff must avoid unnecessary physical contact with children. Where physical contact is essential, e.g. for safety reasons, the pupil's permission must be gained for that contact wherever possible. If physical contact is made to remove a pupil from a dangerous situation or an object from a pupil to prevent either harm to themselves or others, then this should be recorded and reported to The Head Teacher, Amanda Miller-Adams. In cases where accidental physical contact was made, it should be reported to The Head Teacher Amanda Miller-Adams. In all cases staff should act in accordance with the school's Behaviour for Learning Policy, a copy of which is in the Admin Manger's office and on the Centre's web site.

Inappropriate conversations and comments of a personal nature should also be avoided as should insensitive, disparaging or sarcastic remarks.

Any sexual behaviour by a member of staff with or towards a pupil is unacceptable. Staff are reminded that under the Sexual Offences Act 2003, it is a criminal offence for a person aged 18 or over to have a sexual relationship with a child under 18, where that person is in a position of trust in respect of that child, even if the relationship is consensual.

Staff should not accept gifts from students unless these are agreed and verified by the SLT as appropriate token gifts of appreciation. All gifts received should be recorded this should be filed in the Admin office.

Under no circumstance should students be invited into a staff member's home. Students should only travel in staff private vehicles with the agreement of the Centres SLT.

No member of staff should give personal gifts or rewards to students. Rewards (through a recorded systems and processes) earned by the student should be recorded in the student file and verified by at least one member of the SLT. If a member of SLT has initiated the reward this needs to be verified by the head teacher.

Under no circumstances should students be invited into a staff member's home.

Students should only travel in staff member's private vehicles with the agreement of SLT.

Curriculum

The use of sexually explicit material should not be used other than that agreed by the SLT as part of sex and relationships education.

Staff should ensure that students do not have access to abusive or violent imagery or other inappropriate material whilst on site or through any educational or other curricular activities set by the Centre or its employees.

Parents/carers

Staff are expected to interact with parents/carers in a polite and respectful manner and recognise parents'/carers' entitlement to express any concerns they may have about their child's learning, safety or wellbeing. Staff should avoid discussing school matters with parents/carers outside school if approached and should instead refer the parent to the normal school communication channels.

6. Use of IT including social media

Internal e-mail and internet systems must be used only in accordance with the school's ICT and internet policy which includes guidance on the acceptable use of IT, a copy of which is in the Admin Manger's office and on the Centre's web site.

Social networking sites offer the opportunity for communication with children, young people and their parents/carers outside normal professional boundaries. School staff must take care to protect their privacy and protect themselves from risk of allegations in relation to inappropriate relationships and cyberbullying. Staff must not develop or maintain online relationships with parents/carers or pupils through social networking sites, instant messaging or other media, whether this is through school or personal IT facilities.

Staff should not give students their personal telephone numbers or email addresses. Staff should not take photos, publish or share images of your people with the parents/carers permission and other than in connection with an official school activity.

Please refer to the school's ICT and internet policy, a copy of which is in the Admin Manger's office and on the Centre's web site, for further guidance on acceptable and unacceptable use of IT, social media and mobile phones.

7. Confidentiality and disclosure of information

Staff must ensure that they do not disclose confidential information to anyone who does not have the right to receive it. Where information is disclosed this should be in line with the principles of the [Data Protection Act 1998](#). Equally staff should not prevent another person from gaining access to information to which that person is entitled by law. If there is doubt about whether or not to share information, advice must be sought from an appropriate senior member of staff.

Information obtained during the course of an individual's work should never be used for personal gain or benefit, nor should it be passed onto others who might use it in such a way.

8. Dress and appearance

An individual's dress and appearance is a matter of personal choice; however, staff should ensure that they dress appropriately, decently and safely for a school environment and for the role they undertake, as well as setting a good example to both pupils and visitors.

Staff should have particular regard to the health and safety risks involved with certain lessons i.e. physical education/food technology and the need to dress appropriately and safely when undertaking these activities, such as wearing appropriate footwear, removing jewellery etc.

The school recognises the diversity of cultures and religions of its staff and will take a sensitive approach when this affects dress and uniform requirements. However, priority will be given to health and safety, security and other similar considerations of other staff, pupils and the school.

Please refer to the **Centre's dress code** for further guidance on acceptable and unacceptable forms of dress, a copy of which is in the Admin Manger's office and on the Centre's web site.

9. Equal opportunities

The Management Committee of the school is committed to equality for all in the appointment, development, training and promotion of staff, and in all dealings with pupils and parents/carers of the school. It also recognises that all members of staff have the right to work in a safe environment without fear of discrimination, harassment or abuse.

All pupils, colleagues, parents/carers, members of the public and wider school community have the right to be treated with fairness and equality and must not be discriminated against. The school expects staff to uphold these principles.

Please refer to the school's equalities policy for further guidance, a copy of which is in the Admin Manger's office and on the Centre's web site.

10. Conduct outside work

Care should be taken by staff to avoid any conflict of interest between activities undertaken outside school and responsibilities within school. In no case should outside activities bring the school into disrepute.

Staff must disclose any misconduct or alleged misconduct made against them, including any incidents arising from alternative or additional employment outside of this school. Disclosure must be made to the Headteacher without delay, after which consideration will be given to the relevance or otherwise of the misconduct to their role in the school.

Where staff are in doubt as to whether there is a conflict of interest advice must be sought from the Head teacher.

11. Declaration of interests

Staff should consider carefully whether they need to declare to the school any relationship with an individual where this might cause a conflict with the school's activities, for example, a relationship with a Governor, another staff member or a contractor who provides services to the school. Where such a declaration is necessary this should be made to the Head teacher.

Staff may undertake work outside school, either paid or voluntary, provided it does not conflict with the interests of the school nor be at a level which may contravene the [Working Time Regulations](#) or affect an individual's performance at work.

12. Whistleblowing

The [Public Interest Disclosure Act 1998](#) (as amended) gives protection to people who disclose reasonable concerns about serious misconduct or malpractice at work. This is sometimes known as Whistleblowing. The Management Committee of the school will treat all matters of malpractice very seriously and allegations about such matters will be dealt with quickly and with appropriate confidentiality.

Staff should acknowledge their individual responsibilities in bringing matters of concern to the attention of senior leadership in the school. This is particularly important where the welfare of children may be at risk.

A clear procedure is provided for staff to raise issues with the purpose of assisting in reducing the risk of serious concerns being mishandled, whether by the individual or by the school. Please refer to the school's Whistle Blowing policy, a copy of which is in the Admin Manger's office and on the Centre's web site.

13. Health and safety

Staff must adhere to the school's Health and Safety policy and should ensure that they take every action to keep themselves and others in the school environment safe.

Please refer to the school's Health and Safety policy, a copy of which is in the Admin Manger's office and on the Centre's web site.

14. Gifts and hospitality

There may be occasions where children or parents/carers wish to pass small tokens of appreciation to staff, for example as an end of year 'thank-you', and this is acceptable. However, it is unacceptable to receive gifts on a regular basis or of any significant value or to suggest to pupils that gifts would be appropriate or desired. Money should never be accepted as a gift.

It is not acceptable for staff to give gifts to pupils and any rewards given to children must be given in agreement with the declared reward practice of the school's Behaviour for learning policy, a copy of which is in the Admin Manger's office and on the Centre's web site.

Staff should not solicit or accept any gift, hospitality or other reward from external parties which influences the way in which they carry out their duties or leads the giver to expect preferential treatment.

15. Use of school resources and funds

The use of school resources, property and equipment is for school-related activities only, except where otherwise agreed.

All members of staff must use any public or school funds entrusted or handled by them in a responsible and lawful manner.
