

FIRST AID POLICY

January 2017

Name of Unit/Premises/Centre/School	Woodlands Education Centre
Date of Policy Issue/Review	Jan 2017 (review Jan 2018)
Name of Responsible Manager/Headteacher	Mr M Hall
Signature of Responsible Manager/Headteacher	

Policy Statement

Woodlands Education Centre will undertake to ensure compliance with the relevant legislation with regard to the provision of first aid for all employees and to ensure best practice by extending the arrangements as far as is reasonably practicable to children and others who may also be affected by our activities.

Responsibility for first aid at Woodlands Education Centre is held by Mr Martin Hall who is the responsible manager.

All first aid provision is arranged and managed in accordance with the Children's Services Safety Guidance Procedure SGP 08-07(First Aid).

All staff have a statutory obligation to follow and co-operate with the requirements of this policy.

Aims & Objectives

Our first aid policy requirements will be achieved by:

- Carrying out a First Aid Needs Assessment to determine the first aid provision requirements for our premises
 - It is our policy to ensure that the First Aid Needs Assessment will be reviewed periodically or following any significant changes that may affect first aid provision
 - The Children's Services First Aid Needs Assessment Form (CSAF-002) will be used to produce the First Aid Needs Assessment for our site
- Ensuring that there are a sufficient number of trained first aid staff on duty and available for the numbers and risks on the premises in accordance with the First Aid Needs Assessment
- Ensuring that there are suitable and sufficient facilities and equipment available to administer first aid in accordance with the First Aid Needs Assessment
- Ensuring the above provisions are clear and shared with all who may require them

First Aid Training	
---------------------------	--

The responsible manager will ensure that appropriate numbers of appointed persons, school first aid trained staff, emergency first aiders, qualified first aiders and paediatric first aid trained staff are nominated, as identified by completion of the First Aid Needs Assessment, and that they are adequately trained to meet their statutory duties.

Appointed Persons

At Woodlands Education Centre there are 1 appointed person who are as follows:

- Alison Gibbs

Where the first aid needs assessment identifies that qualified first aid staff are not necessary due to the nature/level of risk, the **minimum legal requirement** is to appoint a person (the Appointed Person) to be on site at all times during the working day. Appointed persons are in place to take charge of first aid arrangements including looking after equipment and calling emergency services.

Note: Appointed Persons are not First Aiders and should not provide first aid for which they have not been trained. However it is good practice to provide appointed persons with some level of first aid training. Such training does not require HSE approval.

School First Aid Trained Staff

At Woodlands Education Centre there are 11 school first aid trained staff who are as follows:

- Caroline Forbes
- Iain Gillespie
- Vicky Godby
- Lucinda Long
- Jo Lawrance
- Morise Nutt
- Rachel Pope
- Adam Prosko
- Kirsty Regan
- Andrew Stead
- Jane Woodroof

This optional, bespoke training for school staff is available to assist the school in meeting its own duty of care towards its pupils. It is not a substitute for HSE-approved first aid training which qualifies staff to provide first aid to other adults. This training should be provided only where:

- Additional training is considered to be required for appointed persons in order to enhance their role to provide first aid to children; **and/or**

- Other staff, in addition to Emergency/Qualified First Aiders, are also considered to require some level of training in order to provide first aid to children

Emergency First Aiders *(Those completing the HSE approved 1-day emergency first aid course)*

At Woodlands Education Centre there are 2 emergency first aiders who are as follows:

- Kerry Loader
- Luke Wilson (PE)

They will be responsible for administering first aid, in accordance with their training, to those that become injured or fall ill whilst at work or on the premises. They may also have other duties and responsibilities which are identified and delegated as appropriate (e.g. first aid kit inspections).

Qualified First Aiders *(Those completing the HSE approved 3-day first aid course)*

At Woodlands Education Centre there are 3 qualified first aiders who are as follows:

- Debbie Johnston
- Mags Clark (Outdoor First Aid 16 hr)
- Joanna Bryant (Outdoor First Aid 16 hr)

They will be responsible for administering first aid, in accordance with their training, to those that become injured or fall ill whilst at work or on the premises. There may also be other duties and responsibilities which are identified and delegated to the first aider (e.g. first aid kit inspections).

First Aid Provision	
----------------------------	--

Our First Aid Needs Assessment has identified the following first aid kit requirements:

- 8 + 2 travel first aid kits on the premises
 - These first aid kits will be situated at
 - The Main Office//Reception
 - Kitchen
 - EVU
 - D&T
 - Staff Room
 - Science
 - Food Tech
 - IU/Yr 11
 - 2 Travel kits kept in lockers near entrance for mountain biking etc.
- 1 travel first aid kit in vehicles
 - This travel first aid kits will be located in The Minibus GJ66 JBE

It is the responsibility of the health & safety officer to check the contents of all first aid kits every 6 WEEKS and record findings on the Children's Services First Aid Kit Checklist (CSAF-003). Completed checklists are to be stored in the H&S Office. The contents of first aid kits are listed under the '*required quantity*' column on the checklist itself.

The ELSA (room 10) is designated as the first aid room for treatment, sickness and the administering of first aid. The first aid room will have the following facilities:

- Chair/beanbags, is close to main office for assistance and close to disabled toilet for water and facilities

Emergency Arrangements	
-------------------------------	--

Upon being summoned in the event of an accident, the first aider/appointed person is to take charge of the first aid administration/emergency treatment commensurate with their training. Following their assessment of the injured person, they are to administer appropriate first aid and make a balanced judgement as to whether there is a requirement to call an ambulance.

The first aider/appointed person is to always call an ambulance on the following occasions:

- In the event of a serious injury
- In the event of any significant head injury
- In the event of a period of unconsciousness
- Whenever there is the possibility of a fracture or where this is suspected
- Whenever the first aider is unsure of the severity of the injuries
- Whenever the first aider is unsure of the correct treatment

In the event of an accident involving a child, where appropriate, it is our policy to always notify parents of their child's accident if it:

- is considered to be a serious (or more than minor) injury
- requires first aid treatment
- requires attendance at hospital

Our procedure for notifying parents will be to use all telephone numbers available to contact them and leave a message should the parents not be contactable.

In the event that parents can not be contacted and a message has been left, our policy will be to continue to attempt to make contact with the parents every hour. In the interim, we will ensure that the qualified first aider, appointed person or another member of staff remains with the child until the parents can be contacted and arrive (as required).

In the event that the child requires hospital treatment and the parents can not be contacted prior to attendance, the qualified first aider/appointed person/another member of staff will accompany the child to hospital and remain with them until the parents can be contacted and arrive at the hospital.

Out of hour and Trips	
------------------------------	--

The first-aid arrangements for all school managed and organised after school activities (parents evenings, school fetes, and sports activities) are considered in this policy. On occasions where there may be the need for additional provision the school will carry out a needs assessment for that activity.

The first-aid arrangements for school organised trips/visit are included in the individual trip's risk assessment. These are reviewed for each trip/visit and the level of first-aid provision is reviewed to ensure adequate cover is provided for the trip/visit, and that sufficient cover is retained at the school to cover those who stay at school.

Records	
----------------	--

All accidents requiring first aid treatment are to be recorded with (at least) the following information:

- Name of injured person
- Name of the qualified/emergency/school/paediatric first aider or appointed person
- Date of the accident
- Type of accident (e.g. bump on head etc)
- Treatment provided and action taken

CHILDREN'S SERVICES HEALTH & SAFETY TEAM

For advice and guidance when writing your local first aid policy or using this template please contact the Children's Services Health & Safety Team through their website at:
